Due to the nature of the actions taken by Ms. Ferrari, and to how these actions reflect both on **Rebel Tales** and on me, and because I cannot guarantee that some other person will never misrepresent himself and his actions while using my name and the name of **Rebel Tales** as cover for wrongdoing, I have made the decision to close **Rebel Tales** permanently.

I have not made this decision lightly—I have taken consultation and come to the conclusion that this is the only viable decision I can make. I do so with a heavy heart.

I apologize to everyone who held the same hopes I had for this endeavor.

I hope someone else will pick up the banner to create a new midlist for writers.
