IRREFUTABLE, by Dale Roberts

A lot of my students have sold novels to publishers, brought out their own books, won contests…

## This guy is the first of my students I know of who made it to the New York Times Bestseller list.

For the paranoid among you, he really is one of my students. He bought **Plot Clinic** and **Page-Turning Scenes** back in early December of last year.

His book, **IRREFUTABLE**? Fast-paced, well-written, smart, and fun. I bought it yesterday, and it's excellent. And well worth the $2.99.

Here's his link again. I'm so excited for him. This is SERIOUSLY cool!
