Red-heads are ALWAYS trouble

My spontaneously-generating red-head from a few chapters back walked into my scene tonight, suddenly making perfect sense in the story, and dropped a bombshell.

Actually, she took a deep breath, I glance over at my word counter, and discovered that I'd hit 499 words.

So she'll drop her bombshell tomorrow night. But in spite of being dog-tired and not EVEN in the mood to write tonight, I got the words, and once I got rolling, they were a hell of a lot of fun.

How 'bout you?
