I have books ready to go for the following folks:

==========

==========

Mandy
hypatia
KatFeete
TinaK (2 boxes)
anders
Keely
Redox
enjonel
PolarBear
joelysue

If US, go ahead and pay $9.95 per box. Now that I'm set up, I can mail the day after I receive your payment. Be sure to include your login name and your shipping address when paying.

If International, send me your login name, real name, and shipping address, and I'll figure shipping for you. No hurry on payment, though—we're all waiting for customs labels.

And if you're not one of the folks in this list, please don't pay ahead. I can't guarantee there will be books for everyone.

I'm also now out of boxes, so for all the rest of the US book requests, I'm waiting on the new batch of boxes to arrive, and on International orders, I'm waiting for those boxes AND for

customs labels. So there won’t be another shipment going out for about a week.
