## 2448 words, posted a bit late

Thanks to the folks in chat who jumped into the word war – got my 1500 there, to add to the words I'd already done for the day. Ended up with a nice number, an afternoon to just play around with research and maybe some revision plans, and a nice, tense scene.

This is posted late since the site was down earlier – actually finished up around 1:20 PM.

And two additional romantic-suspense recommendations. Jennifer Crusie's **Fast Women**, which is both suspenseful and funny as hell, and Linda Howard's **Dying to Please**, which has superb characters and a solid suspense story.
