HAH!

In spite of having to do a ton of work on income tax this week, I still managed to get in four writing hours (and nearly 4,000 words) of Vipers' Nest.

So I'll do one more hour tomorrow morning to catch up with my Patreon writing.

Getting close to the end, and THIS time the story is tighter, and holding together better.

And I completed **How to Write Villains Lesson 7: The "Come-Back" Villain**.
