I managed to carve 900 words out of the day for Ohio 5, and I like them.

Now, however, I have to go do site stuff for a while. Now, however, I'm off to build new pricing boxes over on the HollyWritingClasses.com site so that I can put classes back on sale at the regular price. (And with the private BC discount for existing Big Course owners).

I figured the pricing boxes would be reusable.

Turns out... not so much.

So... off to work on that.
