There's plenty of this at home to write about, were I to choose to.

But in a ruling that defies belief, the EU just ruled that drinking water cannot be advertised as the best way to prevent dehydration.

<http://www.express.co.uk/posts/view/284426/EU-says-water-is-not-healthy>

So.

There's stupid.

And then, there's "Holy shit, what drugs have you guys been DOING?"

And a tip of the hat to Jim Woosley, who sent me this remarkable link.
