

About to Slide into Battle

Took longer than I should updating the front page of the site. But I needed to have the new book covers up, and wanted to add the How the Book Was Written feature in place for **Last Girl Dancing**, which will be the first of my books to offer it, (and it only partially, since the first draft was already done when I started this weblog.)

Now I'm back to work on **Hawkspar**. Going into battle to rescue slaves and prisoners and the downtrodden population of one particularly vile city-state, and to stop the fifteen-year genocide against the heroes' people at the same time.
