It's taken me almost two weeks to get this done, do in well, and make it look nice.

Your books covers, quotes, and where I had both pictures and your permission to use them, are on the **How To Think Sideways** page now. Thank you again—I think they look amazing.

Right column, starting about one third of the way down, plus several in the main body of the text.

**Plus**, down at the bottom, a few of the nearly four-hundred recommendations without covers I have from students.
