

Almost Done With Writing Discipline

By Holly Lisle

I've written just over 3000 words today, and **How to Find Your Writing Discipline** is about finished. I'll wrap writing tomorrow and polish on Monday, with the goal of having the workshop downloadable by late Monday afternoon or Tuesday of next week.

This is my system for getting a whole lot of writing done while also homeschooling my kid, working on my website, spending time with my husband, getting knitting done, and the usual housework, bill-paying, and other time clutter that everyone ends up dealing with.

How To Find Your Writing Discipline
it's available for preorder here.

And before I forget, by popular request, **gift certificates are now available at the HollyShop.** Left column, top box. If you were looking for a way to give your favorite writer something from the HollyShop, it just got easier.
