

Already have 2793 words today

Finished Chapter One, am starting into Chapter Two now. Each chapter will run around 4000 words, and I'm planning to have each end with a cliffhanger. I used the same structure in **Fire in the Mist** and **Sympathy for the Devil**, and ... I think ... **Minerva Wakes**. It works well for light, shorter novels.

Took a couple hours off to eat breakfast, do laundry, and make cookies with the four-year-old, and now it's time to get back to work.
