Your Hidden Talent

You have the power to persuade
and influence others.

You're the type of person who
can turn a whole room around.

The potential for great
leadership is there, as long as
you don't abuse it.

Always remember, you have a lot
more power over people than you
might think!

What's Your Hidden Talent?

This from Stephanie's blog.

Though frankly, today I think my hidden talent is
distractibility.
