I did NOT get *Vipers' Nest* completed.

However, I did get the write-in revision of *A Few Good Men* done.

It was a red-ink bloodbath – and when I say this, realize that I killed not one but THREE red pens in the process of fixing this sixty-page manuscript.

The ***How to Write Short Stories*** folks will get to see the massacre up close and personal – I'm scanning the manuscript into PDF form now for Lesson 5.

I'll have to do the type-in, formatting, and publication later.

NEXT week, I'll get back to work on *Vipers' Nest*. And may have some very cool things to announce for the folks at Holly's Writing Classes.
