By Holly Lisle

3043 words on **Talyn** today. Passed page 1000 and didn't even let myself slow down. I landed on 1002 with a lovely twist that I had not expected that will take me with some momentum into tomorrow's work.

It's too soon yet to say that the final momentum is building, but I think I can at least hear it scratching around outside the windows, growling.
