

And Today ... Bring on the Pain

By Holly Lisle

My HAWKSPAR start count is 18,279 words. My three thousand for the day will put me at 21,279, which means at some point today, I will have 10% of the book done. Round decimal percentages are sort of magic to me, and this will be the first one I roll over. There may be cheering.

My folks are in for pain and scariness today. Acolyte Hawksparr is meeting with the oracles, and their association is literally not a marriage made in heaven. <g> I love being cryptic.

Should be a fun writing day, even if long.
