

# Another really late start

By Holly Lisle

An old friend came over for the day, so I'm just now getting started.

Today is going to be another day of inserting a Baanraak scenes into an earlier portion of the manuscript. Baanraak, who has now accepted the commission to kill Molly, and maybe Lauren, will spend the scene scoping out the area and figuring out his way into Copper House.

He'll also discover something interesting about Molly that is going to change the course of everything.

I'm looking forward to writing this scene.
