

At this ridiculous hour of the morning, I find myself awake

And since I'm awake, and since events earlier in the evening kept me from getting my work done (happy events, thank God, and I suspect the reason I can't sleep now is a surfeit of relief) so I figure I'll wrap the outline now – or get as close as I can manage. I'd done ten scenes when things got crazy. I still have twenty to go.

Should make for an interesting middle of the wee hours of the morning.
