Back To Fiction

I've had to take a bunch of days off, and I don't see that changing anytime soon.

However, when I've been up to it, I've been working. On **Rebel Tales**, on **NovelWritingSchool.com**, and also on fiction.

I was doing pretty well with **TalysMana**, but my daughter has some scheduling problems right now, so we're having to put that on hold until she gets her schedule worked out.

Meanwhile, I'm putting together some shortish serial fiction for **Rebel Tales**. The current piece is **Help Wanted**, introducing a new heroine in a new SF world. I also want to write some Cadence Drake shorts for Rebel Tales. And I'm considering what I could do in the way of Tonk short stories for Rebel Tales Fantasy—probably not Talyn, probably not Hawkspar.

You can watch the progress on the progress bars to the right.

ADDED LATER: Got 581 words on **Help Wanted** tonight.
