

Back to Green Magic

Took Monday and Tuesday off because Matt had them off—his first two days off together since everyone in the house was so sick we couldn't move. My writing schedule has changed to fit his work schedule—later start times, more irregular hours, and days of when he gets them rather than on the weekends in planned fashion. Otherwise we would barely get to see each other.

So the weblog will have some weekend entries again.

Meanwhile, I'm pushing hard to get the Green Magic proposal finished soon, so today is going to need to be a big word day. 4000 words minimum today—the length of one full chapter.

4000 tomorrow. A day or two to revise, and then I want to ship. Watch the progress bar for updates—this will be a challenge.
