

Big Jump on HAWKSPAR

written by Holly

October 16, 2005

By Holly Lisle

More than 46 pages (9440 words) of edits completed today, a BUNCH of new words written, a middling number of old words taken out. Good, good writing day. I'm taking a break, and will take a look at the other book later, and see about adding 2000 words to it. But it's had most of the love this week. **Hawkspar** was overdue.
