

Bonus pages up in How To Revise Your Novel

By Holly Lisle

The course isn't up. The course isn't done.

But if you want to take an early peek (and if you're a **Revise Your Novel** student and have already reached Lesson 23/Bonus 1 in the course) you can also see the test movie I have up. ☐

Just log in, click on the Bonus 1 page, and scroll to the link on the bottom.

It uses a tiny segment of the actual course, but a pretty cool one.

Monday I'll open the doors for new students on NovelWritingSchool.com. Monday, I'll also post real lesson as they're completed in the How To Revise Your Novel classroom.

TRANSCRIPTS WILL NOT BE READY!

As with my other big courses, the first students through will be able to download transcripts, worksheets, mindmaps, videos, and so on as I complete them, but because I'm creating the course as you're taking it, everything arrives piecemeal.
