Author's note: The *Cadence Drake* novels are Urban Fantasy in Space with Techie Shapeshifters and Vampires. The *Longview Stories* are Dystopian SF. However, while the two series fit in different genres, each story stands alone, and all of them read in order tell a bigger story. The read order is:

- *Hunting the Corrigan's Blood*
- *Warpaint*
- *Born from Fire*
- *The Selling of Suzee Delight*
- *The Philosopher Gambit*
- *Gunslinger Moon*
- *Vipers' Nest*
