Added a reciprocal links page to the weblog. Centered, top of every page of the diary. I apologize immediately to everyone who has linked to this weblog but who is not using BlogRolling – the automatic Reciprocal Roll is a feature of the paid BlogRolling account, and I decided it would be a nice way to thank folks who link to my weblog. Unfortunately, it ONLY creates links for folks who are also using BlogRolling. I don't have time to do a hand-linked list, so I know I'm missing a lot of people. On the up-side, Blogrolling does have a free account. Anyway, off to lie down. But I thought I'd pass that on, for what it's worth.
