

Can't brag –2328 words, but a lot will disappear tomorrow

By Holly Lisle

I wrote about new 1200 words today, and then put in a saved scene from my discarded first draft. It's a great scene, but a lot of what it related to in the first draft has changed. So tomorrow, I'm going to have to go through and cut a bunch of the cut-and-paste stuff to fit the new direction.

And tomorrow my MC (who has by this point been alternately chased, chomped, haunted, and once even digested), for the first time comes face to face with her BIG enemy.

She's going to realize she's in trouble.

So while I won't end up with negative words, I'm not going to show a lot of progress from today.
