

# Continuing Down the Dark Path

By Holly Lisle

Talyn continues down her dark and dangerous path, and I am having to fight to get myself to write what is happening. Aggh. Worked for hours on the first thousand-plus words, and now I'm settling back in for a go at the second near-thousand. I've never written anything like this before (this is definitely a case of pushing my boundaries), and it's HARD.

Maybe I'll post a section later. If I can find one that's fit for PG-13 consumption.
