

Countdown: Eight Late

By Holly Lisle

Taxes are going to take more than one day. Maybe more than two or three. So I'm going to see if I can still get 3000 on HAWKSPAR tonight.

Tomorrow, I'll get up early, do HAWKSPAR and then the Onyx proposal and then the taxes, and will do that for the rest of the week, and hope nothing else comes in that will require immediate attention.

So. Starting now on HAWKSPAR.

Finished at 174,861 words yesterday, so just to keep things simple tonight, my goal will be 177,861 words.

And I've been fighting a screaming stress headache all day, and still am.
