

Couple of days off

I needed some think time. Not quite sure how to deal with the next bit of revision. I'll have to figure it out when I get back up today, but Saturday and Sunday I actually took off – first time I've given myself a whole weekend in a while.

And something silly:

which Episode II character are you?

Queen of Naboo. You could have a split personality – simply to hide who you really are. You are extremely polite and gentle. However, if needs be, you will take action and can be a very good leader. You have the power to make people believe in you – use this power. The one you love could also end up being the one you hate.
