

# Cover Copy and Cover Art Descriptions On Their Way

By Holly Lisle

My second task this morning was to write first-draft cover copy for WFH1 and offer what input I could on the cover art. (My first task was to make sure my federal and state income tax checks for 2004 and my federal estimated tax check for 1st Quarter 2005 made it into the mailbox <shudder>, but the less said – or thought – about that, the better).

With that done, I'm going to go for 3000 words on WFH1 while I wait to hear back on the status of the Onyx Proposal. I'll note that typing with your fingers crossed is a bitch.
