

# Diplomacy of Wolves (Russian)

By Holly Lisle

## Russian Edition, *Diplomacy of Wolves*, painting by M. N. Kalinkin

☒ My thanks to David Kogan, who tracked down the name of the artist on this. This edition of the book and all the information about it are in Russian and printed using the Cyrillic alphabet. I didn't even know where to start.

I love the cover art, by the way. It's a marvelous piece of work, fun and kind of creepy. Calimekka looks cool, and Kait looks ... fierce.
