

# Ditching Words

By Holly Lisle

Had to toss over most of the 4000 words I had already done. On the bright side, I finished with 2027 words that I can keep. Doesn't significantly affect the schedule; I'll still do 2000/day, and still finish the thing with time to edit it.

And tomorrow I'll start at a great pick-up point, I won't have to edit old material, and I should be able to put together a clean, fast run.

On to the Language Clinic.
