

# Doing pages today

By Holly Lisle

I'm making nice progress on the first chapter of what will be proposal #4 for Russ to send to Jaime Levine at Warner Aspect. I'm trying not to think too hard about the fact that it is #4, and that the first three never even made it out of the gate.

I'm better at writing chapters than at writing proposals – this is fun. I'll get a nice little chunk of manuscript behind me, then put together an outline of the rest, and hope to hell the chapters will carry the thing.
