

Done for the Day

By Holly Lisle

Ended up negative words from where I started, but only by a couple hundred. Tomorrow, plan in hand, scene well underway, I'll start back with the dying Oracle Hawkspar, whom I've just met for the first time. And with the Senior Penitent, who has just been chosen to become the new Oracle Hawkspar, for reasons I never would have imagined.

I love it when the story starts spinning out its own surprises. Tomorrow's writing should be fun.
