

Done With **I SEE YOU** for the Day

By Holly Lisle

Woke up at 3:25 AM. Got up at 3:45. Was at the desk by 4:30 AM, and even with a break for breakfast, finished all the words on **I SEE YOU** for the day, plus a few I didn't get yesterday. Ended up at 4085. Not sure how crazy I am about the opening three scenes. I hit the high points but they feel a little thin. Not thin enough to go back and mess with, though.

Going to take a nap, then have the rest of the day for the **HAWKSPAR** revision.
