

Done with Revisions for Today

I did 75 pages of write-in revisions for WFH1 today. That's 15,000 words, roughly. Brings my total revised write-in up to 26,000 words, with 34,000 words left to go – plus type-in on the whole shebang.

This is a surprisingly clean edit. Aside from the numerous [TC]s I've had to research, it's required little revision. I hope the rest of it goes as smoothly.
