Here are the air dates for the interview I did with Dragon Page:

Summer Brooks, producer: Mike says that the show with your interview will go out the week of September 26, which means that it'll be available for download on the 26th, and will air on XM Satellite Channel 163 on October 2nd.

Along with the radio interview, I did a special segment that will only air on XM, discussing the writers' community, my website, and the folks who read my books.
