DTD – 320 words, and some research

written by Holly

By Holly Lisle

Being too tired does not do great things for the words. I plugged along on my scene tonight, doing a bit of character development, tossing in some plot, and a bit of conflict… and I scrouged for a bit more information on the Minoans. It's hard to come by.

I got what I needed, and the writing went well from a technical standpoint, but I'm way too tired to know if I'll like what I got tomorrow or not.

Going to go to sleep.

I hope you're having fun and getting good stuff.
