A short run through the bowels of Madison Square Garden in disguise, still pursued by killers.

Finished the scene and the chapter, and now have 21,688 words completed.

Tomorrow, I'll pick up Ki's point of view, and the invasion of his lair by his unwelcome, trouble-plagued guest.

I had great fun with this scene. If I didn't have to be up at the crack of dawn tomorrow, I'd keep running with this. But I do. So that's it for me for tonight.

Write well, have fun, and let me know how it goes on your story.
