As noted, I take the weekends off. My weekend is Friday night, and Saturday night… but I know you might actually be writing on Friday/Saturday…

So here's the Friday night, Saturday morning "write a book with me" post. And I'll have a Saturday night, Sunday morning one popping up for you at the appropriate time.

And I'll poke my head in Sunday night after I get my words and see what you left here. Have a wonderful weekend, and a great time writing.
