Dying slowly, dying fast

Got 2154 words, and the scene between Molly and Seolar turned out as well as I'd hoped (at least, it feels that way right now, before I've reread it.) They look at who and what she is, and what this means to the two of them. It turned out to be pretty heartbreaking for me while I was writing it. I hope that comes across to the reader when it's in the book.
