

Everything Old Is New Again

written by Holly
December 19, 2004
By Holly Lisle

This is where I was this week in 2001. I was looking up a bit of background for something I'm writing now (words are going well, 2000+ already today), and I discovered that, basically, only the names have changed. Threw out most of a book and had to rewrite massive amounts from scratch this time that year, too.
