

Fell Behind

By Holly Lisle

Yesterday was the first day that I didn't make my words. I got stuck on a couple of sections, couldn't figure out the fix-it puzzles to everything I needed, and just generally struggled in a sea of freaking frustration.

I am officially behind on the count, though not by a great deal. I wrote one scene, (out of the three I finished) that I don't like very much in retrospect, so I may be behinder than my current pages would indicate. Today I play catch-up, which is a game I hate.
