

FeverHeadachePainCrud

written by Holly

May 4, 2005

By Holly Lisle

I'm vertical, barely. Coughing, achy, can't breathe, screaming headache, fever of 101.2, nothing I've taken has touched this stuff.

Deadline, however, does not give a shit about that. So I'm writing. When I fall over, or get 3000 words (whichever comes first) I'm done.
