25% of what I have to have to finish today is now done. I'm not sure if the music I have going is helping or hurting – I'm running my Zen Loop, which is currently comprised of endless repetitions of:

Bring Me to Life (Evanescence)

Classical Gas (Eric Clapton)

Acoustic #3 (Goo Goo Dolls)

interspersed with single iterations of

Don't Fear the Reaper (Blue Oyster Cult)

Hurt (Johnny Cash)

Iris (Goo Goo Dolls)

Sympathy (Goo Goo Dolls)

Bravado (Rush)

Name (Goo Goo Dolls)

Don't Want to Miss a Thing (Aerosmith)

I'm tempted just to put iTunes on a single-play loop of Classical Gas, which (in a tie with Pachelbel's Canon in D) is the most Zen loop of all.
