

Finally... . Page-Turning Scenes Is Underway

By Holly Lisle

First there was the book deadline.

Then there was the fact that I forgot April 15th is coming, and needed to get seven tons of paperwork to my accountant.

So today, finally, after a week of math and papercuts, I'm getting to have some fun. **How to Write Page-Turning Scenes** is underway.

Your list of questions is front and center on my desk, my outline is on the screen in front of me, and I'm grateful some of the course is already written. But much remains, and I'm excited to dig into it.

Onward.
