

# Fine-Tuning the Proposal

By Holly Lisle

Got a call from Robin; before we send out the proposal it needs a bit more fine-tuning. This time the overall looks okay. But points of rework:

- \* The dog – possible psychic connection between female lead and his appearance.
- \* The dump site. Consider rethink of what we find there.
- \* I don't even have words yet for what came to mind as we discussed this, but "summoning" should act as a trigger when I get back to this tomorrow.
