

# Finish number 30,558

By Holly Lisle

Yowza. Had a hard time getting started, but had to throw out an anchor behind me to get myself to stop. Hit the first big sex scene, and it developed a weird little twist that both made it perfectly logical and just a tad kinky. And it was fun to write. I still have some to go tomorrow, and I can hardly wait.

And I'm on page 147. Just under a third of the way through the book.
