

Finished Synopsis, Sent

By Holly Lisle

Finished, revised, re-revised, and sent the synopsis for "C" to my agent.

I'd actually planned to write on this thing for a few years before doing anything with it, but Robin was excited about the story, if not the style, and talking with her, a couple of beautiful connections clicked for me, and suddenly I want to write this book NOW.

Do I think my editor will want it? No. Not a chance. I'm betting she'll be quicker on the draw than Jesse James. But I am taking a shot with it anyway, because I love it. And nothing ventured, nothing gained.
