

First day of my new work year

By Holly Lisle

I'm sitting in a word war in chat right now, with flint, JeriT, Nonny, PuristLove, QAchyck, and robertsloan2, plugging away on a scene way late in **Gods Old and Dark**, and finally believing that I'm going to get to the end of this thing. I have the Good Playlist running –

Acoustic #3 – The Goo Goo Dolls

Classical Gas – Eric Clapton

Ferrington Guitars J.J. Cale

Iris (Acoustic) – The Goo Goo Dolls

Slide – Goo Goo Dolls

Classical Guitar – Los Angeles Guitar Quartet

Brandenburg Concerto – Bach

Overcome – Live

Ferrington Guitars – J.D. Souther

Ferrington Guitars – Ry Cooder

Simple Man – Lynyrd Skynyrd

Classical Gas – Mason Williams

Streets of Philadelphia – Bruce Springsteen

Breathless – The Corrs

I Heard It Through The Grapevine – Credence Clearwater

Ferrington Guitars – Phoebe Snow

Here With Me – Dido

Come Again – Damn Yankees

Concerning Hobbits – Lord Of The Rings

High Enough – Damn Yankees

This Kiss 3:18 Faith Hill

Yo Yo Ma – Bouree – Bach

Mostly it's going pretty well, if slowly. At least I like what I'm getting.
