My Ko-Fi account funds my fiction writing.

At the moment it's funding less than an hour a day, but I am getting close to hitting that first goal.

So today I announced the first rewards.

Anyone who has funded me on Ko-fi EVER (who is not a family member or one of my indie contractors) is eligible to win.

I'm pleased to be able to start doing some things for my supporters (besides writing fiction), and grateful for your your support.

I'll go into more detail on upcoming rewards over on the Ko-Fi blog. One of the things is discovered from my survey here is that a lot of folks have cool ideas for rewards, and I want to do most of them.

But again, more on that in another Ko-Fi post.
